

Supported Community Living

A Division of Columbus Center for Human Services, Inc.

Supported Community Living is an experienced provider of comprehensive in-home supports serving individuals with disabilities in central Ohio since 1989.

Our staff of well trained Direct Support Professionals coordinate services that encourage individuals to:

- Increase independence in daily living skills
- Assume responsibilities
- Make choices
- Formulate personal goals
- Maximize personal interests
- Achieve skill development
- Develop meaningful relationships

And become contributing members of the community!

Here at Supported Community Living the needs of the consumer come first and we focus on elevating the quality of life they experience.

SCL provides services and supports in Homemaker Personal Care, Social Work and Transportation. Supported Community Living is certified by the Ohio Department of Mental Retardation and Developmental Disabilities as an IO Waiver provider, a Level One Waiver provider and a Non-Medical Transportation Provider.

Accredited by the Commission on Accreditation of Rehabilitation Facilities
(CARF) May 2006
